Daytona Beach International Airport is working with Delta Air Lines to secure nonstop daily New York (JFK) service. A decisive factor for airlines considering new air service is the business community's readiness to support the service. Daytona Beach International Airport is requesting area businesses complete this survey and return via fax **by June 29, 2005**. Your support is greatly appreciated.

New York Air Travel Survey

Company Name: _____

Address: _____

City, State, Zip: _____

Contact Name:_____ Phone: _____
